RE: South Dakota Notary Public Application
and Bond Filing Fee

IMPORTANT NOTICE

The state of South Dakota increased the filing fee for a Notary Public Application, Oath and Bond from \$25 to \$30. The state will reject any Notary Public Application, Oath and Bond that is filed with the old filing fee of \$25.

The state has advised us that any existing Notary Public Application, Oath and Bond forms that reference a \$25 filing fee are still acceptable, as long as a \$30 filing fee is included with the Notary Public Application, Oath and Bond when it is filed with the state. We are in the process of updating all of our South Dakota Notary Public Application, Oath and Bond forms to reference the new filing fee of \$30. If you are not already doing so, we encourage you to use our bONDLINE Program to issue your South Dakota Notary Public Application, Oath and Bonds, because that form has been updated.

If you have any questions regarding this matter, please contact us. We make bonding fast and convenient. **We want your bond business!**
