## Mission Statement

CNA Surety understands the needs of its customers and has built itself to be responsive, flexible and focused on satisfying the unique requirements of each one of its customers. We can provide custom-tailored surety solutions to virtually all segments of the market, regardless of size or circumstance. This explains our continued success and validates our potential for growth.

We believe that relationships, the core of our business, are built through trust, open lines of communication, and genuine care for the interests of our agents, brokers and customers. This philosophy, plus our flexibility and responsiveness have led to decades-long relationships with our customers.

## About CNA

Serving businesses and professionals since 1897, CNA is one of the largest U.S. commercial property and casualty insurance companies. CNA's insurance products include standard commercial lines, specialty lines, surety, marine and other property and casualty coverages. CNA's services include risk management, information services, underwriting, risk control and claims administration.
