Then, simply click the Submit button delivering the application to CNA Surety's Processing Center. In most cases, you will receive the executed bond via email for you to print, sign and file with the obligee's office. If the bond must be mailed due to a state's wet signature / compression seal requirement, you will be notified via email as well. You will also receive direction to associate with Western Surety Company in the NMLS system for any bonds that require electronic filing so we may complete that process for you.

We strive to handle requests the day we receive them. Payment Instructions either via a bank transfer or credit card will accompany the bond.
