Instructions for Applying for a Notary Bond and Notary Errors & Omissions Insurance

BUY Your Notary Bond:

Brown and Brown Northwest and CNA Surety have partnered to support you with a notary bond and notary errors and omissions solution. As partners, we uniquely understand the needs of you, the notary, and the importance of helping you file the properly completed application, oath of office, and notary bond correctly — the first time.

Application Process:

Complete the application that follows making sure to select the appropriate level of notary errors and omissions coverage to protect you. Then, simply click the Submit button delivering the application to CNA Surety's Processing Center. In most cases, you will receive the executed notary bond via email for you to print, sign and file with the Secretary of State's office. If the bond must be mailed due to a state's wet signature requirement, you will be notified via email as well.

We strive to handle requests the day we receive them. Payment Instructions either via a bank transfer or credit card will accompany the bond.

Additional Instructions — Filing, Maintenance, Cancellation, Payment:
